PUBLIC AWARENESS PARTNER PROGRAM

Join ADRP and the Public Awareness Committee, ADRP Board, ABC President, as we collaborate with interested industry partners and other organizations in addressing public awareness of the need for a ready blood supply. Joint efforts include asset creation, national partnerships, and potential research projects.

The partner program was designed to bring together like-minded individuals and organizations committed to making a difference in the lives of those who need blood to share thoughts, ideas, and opportunities for the future.

To harness the collective passion of these individuals and businesses, ADRP created the Partner program as a forum for the sharing of insights, ideas, information, and resources to better amplify the universal message to donate blood through partnership and collaboration. To learn more, please contact Carla Peterson, Executive Director, ADRP, cpeterson@adrp.org.
