BLOOD CENTER CAREERS AD

Nov. 2022

Promoting the Video

1 Events

Consider playing this ad at job fairs, blood drives, partner events (example: HOSA), and other in-person gatherings to spread the word about careers available at your blood center. This ad may be particularly helpful for building on Vein to Vein's career resources as you speak to students at your local high schools and colleges.

You can also include a link to this video on printed materials by using QR codes to expand its reach even further.

A number of websites offer free QR code creation:
